Once the application has been submitted successfully, the login page for ALVIN will load in a new browser tab. Note that you will need to log into the MyDMV (ALVIN) site each time you submit an application.

Applications from the DMS will appear in the Saved in Progress section with the most recently submitted application first. If you submit multiple applications for the same VIN, the most recent application will overwrite any previous submissions for that VIN.

Click Continue to open up the application for a particular vehicle.

You will need to verify the information on each tab, clicking Next to navigate through each section of the application. **Note that Wayne Reaves will not be sending applications as finalized, so it will be necessary to review each section of the application, complete any missing fields, and finalize the submission.**
